

*Greetings, RPA Members!*

*Join us for our 67<sup>th</sup> Consecutive Swim Season!*

*Updated membership information, this year's schedule, and enrollment functions are now live and ready for you!*

*In the news—*

*This year we are donating 7 Family Membership Certificates to area schools in which pool members are involved. Many of the fundraising events are this month so check out your school's auction for an opportunity to take care of pool dues and support your school at the same time!*

*In response to demand we are expanding weekday Adult Swim hours. Adult Swim will begin on June 4 with regular Sunday hours, then beginning Tuesday, June 6, Adult Swim will start at 8:30 am. Saturdays will remain 9 to 10 am, and Sundays 1 to 2 pm.*

*Also with regard to Adult Swim, coordination is in the works to offer an Adult Swim Skills workshop on occasional Saturday mornings. This is for folks who would like assistance with their strokes and technique, making swimming a more effective part of an exercise routine, and even swimming more comfortably. We'll keep you posted as plans are finalized.*

*Thanks so much to the members who have participated in workdays this off-season! Helping out builds relationships, provides a wider view of what it takes to run and care for our facility, and gives members a sense of ownership. Watch for additional volunteer opportunities coming later this spring.*

*We will once again be offering established members Referral Rewards for successful referrals of brand-new members, a \$50 Concessions Credit, or a free 2023 Guest Pass. Both parties must complete their enrollments and the referred party must mention the referring party by name on their enrollment. Referral Rewards are limited to 3 per returning member, and are not transferable. Referred members must be new to our member roster.*

*We are VERY pleased to announce that we have resumed serving as a Training Center for the American Red Cross, and will be offering the lifeguard course on a few occasions this season. Stay tuned for additional information regarding schedule, cost and more.*

Open House for new and prospective members is scheduled for Saturday, May 13, weather permitting, from 10 a.m. to 12 noon.

Opening weekend/week will be Saturday, May 27 through Saturday, June 3, with special hours of 2 to 8 p.m. each day. Full weekday/Saturday hours will begin on Tuesday, June 6.

Swim Lesson Placement Evaluations are tentatively scheduled for the morning of Saturday, May 27 for all sessions. Follow up opportunities will be made available. Please see the lesson page on the website or in your packet for the session schedule, and direct questions directly to the lesson coordinator via email to [rpaswimlessons@gmail.com](mailto:rpaswimlessons@gmail.com)

The Ridglea Rockets have not yet released their schedule, and will be in touch with returning families directly. New inquiries and communications from prospective team participants should go directly to the team via email to [rparockets@gmail.com](mailto:rparockets@gmail.com). 2023 Team Info will be shared, with links, on the team page of the website when it becomes available.

For member enrollment, visit the Membership Page of the website for information, then the Enrollment Page to complete payment and obtain an enrollment form or use the link to fill the Google Form. ALL member enrollment MUST include a completed form, regardless of payment method.

Enrollment may also be handled by mail with check payment or card payment instructions or a hybrid of online payment and mailed form. A single member ID card will be issued for each enrollment. Phone photos of ID's are acceptable for entry, and additional ID's may be requested. We will continue to maintain a master list at the front desk should membership status need to be verified. Member ID's may be picked up on the first swim visit of the season, and will be required for entry. Guest passes are to be carried by the member and may be ordered with enrollment or purchased at any time during the season. If you prefer to have a packet via email, or a hard copy packet by mail, please ask. We will continue to accept enrollment for new members throughout the summer.

After preparing a rules update last spring, we were later informed that the state laws had changed, and further updating was required. Please review our current rules, published on the membership page of the website and posted at the pool. Hard copies will be available at the pool upon request. Please be sure to go over these with your family and guests.

We would LOVE to update our Website and Facebook page with photos from our members! Whether it's a gorgeous sunrise or sunset reflected on the pool, a pool full of splashing kids, little people in lessons, adults using the grills or folks visiting on the lawn during one of our breezy early evenings, staff or volunteers at work, or a gathering of family or friends, these show what kind of organization and facility we have and why RPA continues to be one of the best-unintentionally-kept secrets in Fort Worth! Watch for news of a "photo of the week" contest, with opportunities to enter and to vote, coming soon to the Facebook page.

Are you involved with a neighborhood association, moms'/dads' organization, school or church parent group that maintains a website or distributes a regular online newsletter? Word of mouth continues to be our best form of advertising, and we love sharing the gift of RPA with friends and neighbors! If you're interested in helping spread the word through your group or organization, let us know!

In case you missed, we have a new Facebook Page, RPA Members and Friends, and have created a Member Notification email that will be used exclusively for current-member news and information. For all incoming email communications please use [rspamembership@gmail.com](mailto:rspamembership@gmail.com) Our Instagram is @rspafortworth

Thanks, and Happy Swimming!
