Ridglea Swimming Pool Association is thrilled to be opening for its 66th consecutive swim season!

Thanks to our faithful members, and a re-energized Board of Directors, this coming season promises to be especially wonderful! Our organization and facility continue to survive through the Board's efforts and through your dedication to this unique and historic institution. We must continue to grow our membership, to adapt to new challenges, and to make smart changes without taking away from what we have that makes RPA special. Thank you for continuing to share the pool with friends, neighbors, family, and fellow swim enthusiasts!

This year's Open House for prospective members will be on Saturday, May 14 from 10 a.m. to 12 noon, weather permitting. It is the best opportunity for new and prospective members to become acquainted with the facility and meet some of our staff and volunteers, visit and ask questions, even join on the spot.

Opening weekend for 2022 is scheduled to begin on Saturday, May 28th, and continues Sunday the 29th and Memorial Day, Monday, May 30th. Special opening weekend hours will be 2 to 8 p.m. These special hours will continue into the following week, and the first day of full summer hours and operations will be Sunday, June 5. Please see the calendar within this packet for our full summer schedule.

Swim Lessons

All RPA Family Memberships include group lessons for member children ages 3 and up. We offer kid-friendly classes from 'strictly beginner' for ages 3-5 (with no prior lesson experience), up to Level 4 for those perfecting strokes and skills. After the completion of level 4, we encourage swimmers to try out a swim team practice!

Each day's lesson includes safety concepts as well as level-specific skills instruction. Our swim instructors are provided training at the beginning of the summer by our head swim team coach, Kathy Steinbrenner. Our curriculum is designed for 8 days of class over two consecutive short weeks. We offer your choice of morning or evening classes. Content is progressive, so it is important that each day of the session is attended. Please sign up with the intent to attend all 8 days.

We hope to streamline to an online sign-up this year, so be watching for details and instructions, coming soon. New RPA lesson participants are required to participate in in-water evaluations to ensure appropriate class placement. Class spaces are limited and preset according to level and Bernal age range. Spaces are first come, first serve, until classes are full or deadline date arrives. This year we will be adopting a "no-show/lose-your-spot" approach to lesson attendance: In case confirmed lesson participants do not show on the first day of class, without notice, their spots will be given to someone else.

See below for session dates. When signup dates and information become available, we'll announce via Facebook and post on the website. If you'd like to receive lesson information via email, please email us at rspamembership@gmail.com. Once the swim season begins, lesson information will also be physically posted at the pool.

Session 1	June 7-19 and 14-17
Session 2	June 21-24 and 28-July 1
Session 3	July 12-15 and 18-22

*For immediate/timely notices we will email, text, and/or post to the Facebook and InstaGram pages.
