THANKS TO MEMBERS LIKE YOU, Ridglea Swimming Pool Association has continued its tradition of safe, healthy, family-friendly operations, without interruption, since 1956!!

2020 was a strange and challenging year, but we had a safe and healthy swim season! The pool can continue to operate successfully only with the support and involvement of its members, and an active membership is our best avenue for growth. Your sharing the pool with friends, neighbors, family, and other swim enthusiasts help keep RPA going and growing. Thank you!

This year we will be holding our Open House on Saturday, May 22, from 10 a.m. to 12 noon, weather permitting. It is the best opportunity for new and prospective members to become acquainted with the facility, some of the staff and volunteers, visit and ask questions, even join on the spot.

As of this writing, we have just learned of the end of state COVID-19 precaution mandates, which means we will be able to operate at 100% occupancy, among other things. YEA!! We'll continue to ask for your help by practicing the good hygiene and other common sense habits that we've all become more mindful of over the past year.

Please see the enclosed Health and Safety page for more information.

Our 2021 season is scheduled to begin on Saturday, May 29th, and continues Sunday the 30st and Memorial Day, Monday, May 31st. Special opening weekend hours will be 2 to 8 p.m. The first day of regular full summer hours and operations will be Tuesday, June 1. Please see the calendar within this packet for our full summer schedule.

Best Membership Rates are those paid by April 1. ***Early Bird Rates*** are those paid by May 1. Member enrollment may be handled by mail, email, or online through our website with PayPal payment services. Whichever method you choose, **we MUST have a completed and signed 2021 enrollment form in-hand**, no exceptions, before swim privileges are extended. All family memberships are subject to our Family Membership Policy, which may be viewed on our website or provided by mail upon request. The roster will be maintained at the front desk, and members may be asked for identification on their first few visits. Guest passes will be on file at the front desk.

RIDGLEA ROCKETS SWIM TEAM will gather again for its 21st season with Coach Kathy! Information will soon be available. Please check back—if you're a returning team family you will receive team information directly.

Our LESSON PROGRAM is undergoing a much-needed upgrade. Please see the Swim Lesson page for general information and the schedule, and watch for more details. Lesson sign-ups are separate from member enrollment.

ADULT SWIM will resume its regular schedule for 2021 beginning on Tuesday, June 1 and will likely continue through the Sunday before Labor Day. Please check back at the pool throughout the summer to confirm end date.

Questions? Ask anytime via email, the website, or our Facebook page, RPA-Summer Swimming in Fort Worth.

Happy Swimming!

2021

Schedule of Dues and Fees

As shown, our best rates are those paid by April 1. Dues are payable by check/money order, or entire enrollment may be done online via our website. We also offer a payment plan, which allows up to 3 payments totaling the Best Rate—the payment plan is only available with early mailed enrollment, and payments must be completed by May 1, without exception. Once processed, dues and fees are not refundable. Make checks payable to *Ridglea Swimming Pool Association*.

Swim Lessons

All RPA Family Memberships include group lessons for member children, ages 3 and up. We offer kid-friendly classes from "Strictly Beginner" for ages 3 to 5 (with no prior lesson experience), up to Level 5 for those perfecting strokes and skills. Each day's lesson includes safety concepts as well as level-specific skills instruction. Our curriculum is designed for 8-day sessions. We offer morning and evening classes. Content is progressive, so it is important that each day of the session is attended. Please sign-up with the intent to attend all 8 days of the session. (Please contact us regarding children under 3 or those with special needs.)

Lesson participants are required to participate in in-water evaluations to ensure appropriate class placement. Class spaces are limited and preset according to level and general age range. Spaces are first come, first serve, until classes are full or deadline date arrives, whichever comes first. All lesson information is posted at the pool and on the Facebook page when the season begins.

Strictly Beginners classes will be offered only during Sessions 1 and 3. Sign ups are offered concurrent with regular lesson evaluation and sign-up. Strictly Beginner students may advance to Level 1 in the next session without evaluation, unless evaluation is desired.

Health & Safety

At this writing(3/2/2021) Statewide COVID-19 mandates put into effect last summer will be lifted effective 3/10. The possibility of exposure to the virus still exists. Although Ridglea Swimming Pool Association has numerous measures in place to help limit exposure, by entering our facility you take responsibility for your protection and that of your family and guests. Please continue to practice good sensible health habits when you visit the pool:

- ~Social Distancing in enclosed areas and areas of entry/exit into and out of the water.
- ~Good hand hygiene.
- ~Staying home when you or someone in your household is ill.
- ~Wearing a mask or face covering where distancing is difficult(ages 10 and over).

We will continue our stepped-up cleaning practices and provision for hand sanitizer. Showers will reopen. We will continue to ask for your help in sanitizing surfaces after use in the restrooms, and in supervising children under 8 while they're in these areas.

Front desk/concession operations will continue to involve as little contact as practical. Concessions will continue to be cash-only, with a "tab" option available to limit cash handling. You are welcome to continue to have food deliveries or bring in your own, and use the grills, as long as no glass containers or alcoholic beverages are involved.(Bring your own grill utensils.)

We will only hold a limited number/type of lost 'n found items, primarily small items such as keys, glasses, jewelry, etc. Be sure to mark toys, floats, noodles, goggles, etc. with your name, keep them in your possession, take them home and sanitize them after your visit. You are welcome to call about or claim lost and found items, and they will be held for pick-up. Please deposit any broken or unwanted items in the trash. We will not have pool noodles available to borrow.

For safety reasons, we no longer allow multi-person or other large floats—if it's bigger than one person leave it at home. Personal-size floats, kickboards, and water toys are welcome—be sure they're labeled.

Current lifesaving practices include the use of contact-free masks for resuscitation, and in the event rescue is needed, guards will take appropriate precautions. We always glove-up for first aid needs. Our AED is contact-free.

As we all know, the state and local mandates can change quickly!
